

School Supply List

Individual teachers will provide what supplies are needed for their class within the first few classes.

General supplies required are: binder, looseleaf, pens, pencil, pocket dictionary, thesaurus.

Tools that will help keep high school students organized include: a day timer, phone or computer to track homework, class time and extracurricular activities.

For Math and Science graphing calculators are required. To ensure fairness and equity, only calculators that have been approved by Alberta Education may be used when writing mathematics and science diploma exams.

Alberta Education has approved the use of the following graphing calculators when writing math and science diploma exams; this list is updated annually.

RECOMMENDED CALCULATORS

- TI-83 Plus
- TI-84 Plus or TI-84 Silver
- TI-nSpire (with either keypad)

* Phones will NOT be used to replace calculators

* Casio Calculators are not recommended
